

Greetings!

We trust that you are in good health and standing strong on the battlefield! As you transition from your summer ministries to your year-end activities, I pray you find all that you plan to achieve is ACHIEVED!

Many have asked about our response to the situation that is happening in the Bahamas. The North American Division ACS DR is in communication with ADRA as they are the church's agency that is tasked to respond to the situation in the Bahamas. However, in consultation with the Southeastern Conference in Florida there is an opportunity we can help. If you have churches or individuals who would like to help, please share the following list of items with them:

New Children's clothes (urgently needed)  
Pampers (urgently needed)  
Can foods  
Paper goods  
Clothing - adult  
Toiletries  
Flashlights  
Batteries  
Tarps  
Tents  
Cots  
Sleeping bags  
Sanitary supplies  
Mosquito repellent  
Water purification tablets  
Generators

These items can be purchased at [www.walmart.com](http://www.walmart.com) and have delivered to be picked up at the store in North Miami, FL. The store address is:

**Walmart Supercenter**  
**425 NE 163rd St,**  
**North Miami Beach, FL 33162**  
Name for pick up: **Southeastern Conference**  
Email for pick up: [prince.lewis@secsda.org](mailto:prince.lewis@secsda.org)

Further, there is an opportunity for young adults to participate in a mission trip scheduled for the end of October, and as a result of Dorian, their mission trip is even more critical. If you have individuals interested in participating in the mission trip, please have them contact my office for more information.

We want to say a very special, "Thank You," to all of our conferees and churches for working together to provide much-needed help during this Bahamas crisis. We ask that you keep all of the people of the Bahamas in your prayers as they seek to recover from this terrible hurricane.

For His Kingdom!
