Delta Students prepare food boxes for their community » December 18 was a fun day for students of the Delta Seventh-day Adventist School, not only because it was the final day before Christmas break, but because students got to help church volunteers make 25 food boxes for needy families in the Delta (Colo.) community. Many young and eager legs make the work so much easier. Most of the food items were downstairs and had to be carried up to be put in the boxes. Having energetic helpers made the project fast and fun.

Radio station is reaching the Western Slope » The **Delta** (Colo.) **SDA Church** has sent us another update from the Western Slope regarding their new

3ABN/LifeTalk Radio Station, KSYF 107.5. We wanted to share the good news with you:

"Happy New Year! Praise the Lord, we have been broadcasting 24/7 since December 19, 2014! Yes, there have been some glitches and the programming is not as "refined" as we would like, but we're working to resolve these issues as soon as possible.

We are now affiliates of both 3ABN and LifeTalk Radio. We also received permission from It Is Written, Voice of Prophecy, and Amazing Facts to use any of their materials. We are blessed to have these quality materials in our programming line-up.

One project under consideration by the board members is the "Conflict Series Project." One of our board members purchased the five-volume Conflict of the Ages series in a professional audio broadcast version from *Remnant Publications*. With church leaders focusing on the distribution of *The Great Controversy*, we hope to offer each book in the series for FREE to any listener who requests it during the broadcast.

We want to share your news! » If you have a ministry or evangelism story to tell, please email it to nuggets@rmcsda.org so we can share how God is working through His people in your territory.
