Zambia Project

Update » You may remember that the Rocky Mountain Conference has sponsored the building of a church in Zambia. The challenge was made to each congregation in the conference to raise \$350. Many funds have already started flowing in, but we still have a ways to go to reach our combined goal of \$45,000.

The concrete foundation and slab for the church have already been poured. Workers are ready to start on the walls and roof. Please share this exciting project with your church families. Working together, we can build a church.

Correction » Last week, we reported about the organization of a new church in New Mexico. We incorrectly referred to it as the *Broomfield* Hispanic Church. The correct name is the **"Bloomfield" Hispanic Church**. Our apologies to the members from Bloomfield!

Share good news » If you have a ministry/evangelism story to tell, please email it to nuggets@rmcsda.org so we can share how God is working through His people in your territory.
