## RMC Churches Celebrate Large Baptisms »

Pastor Juan Estrada baptized 19 new members at Aurora Hispanic Church on September 16, the result of the work of many members. Some came from families and friends of the church, including children; some came from handing out magazines door to door.

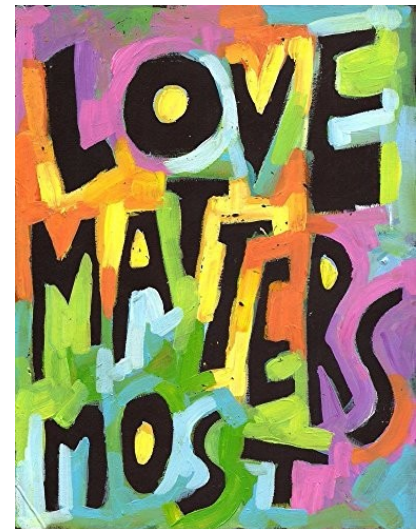

One had been attending church regularly with her baptized husband for seven years. At her house one day, Pastor Estrada opened his Bible and a request for baptism flew out in an arc and landed at her feet. When she picked it up and looked at it, she couldn't speak. She tried twice before she was able to say, "Please write my name on the card."

Chenani (pronounced Ka-nai-nay) Church celebrated 16 new baptisms on September 23. Having just completed a six-week evangelistic series on The Great Conflict, elder and lay pastor Billy Freeny delivered 18 powerful Present Truth messages to these candidates and many others in attendance. Three more candidates will be joining our family soon. These baptisms are a direct result of ongoing ministries, including Bible studies, children's ministry, Prison Ministry,

Men's/Women's Ministry, Food Pantry Ministry and our door-to-door ministry. Last year, the door-to-door ministry knocked on doors in the community, prayed with those who opened their doors, and delivered 5,000 Great Controversy books to every home in Green Valley Ranch. These baptisms are the fruits.

God's Three Angels Message must be preached to the world in order for the enemy to be exposed, to loosen the chains of bondage, and to transform lives all around this hurting world.

## **SDG Hospitals, Churches, Schools Show Love Matters »**

Mental Health is the number one health need of the South Denver area, and most of Colorado for that matter. That's why hundreds of volunteers from South Denver Group hospitals, local churches and schools, and others met at Mile High Adventist Academy on September 13 to kick off SDG's annual day of service.

"Love Matter's Most." Former Denver Bronco, Ryan Harris, and Former First Lady, Jeanie Ritter, spoke regarding mental health and motivated the group to take care of each other and serve the people of our communities. Volunteers then departed to paint houses, take blood pressure screenings, work at food banks, give away fresh fruits and vegetables, and perform many other services for under-resourced individuals in our communities. Positive mental health can be achieved through all these activities for both the provider and for those served. We believe that goal was achieved and our mission was fulfilled.

Christian Church, the trip promised to be a life-changing experience and two events during the trip, fulfilled that promise.

From Joppa (called Jaffa today), they traveled by bus to Tiberius in Galilee and then to the Jordan River to an area where John may have baptized Jesus. Many wanted to be re-baptized there as a rededication. While the baptisms were in progress, a man and woman approached the group, indicating their desire for baptism. They wanted a Spanish-speaking pastor.

A Spanish speaker, Pastor Dave talked with them about their desire and then completed the baptisms. With contact information shared and photos sent, they parted. Who knows how God will work for them in the future? He sent the Newday group half way around the world to minister to this couple.

## **Story Guidelines: We want to share your news! »**

**News Nuggets** is your publication. We strive to provide news and information expressing our church life. Every church, every family, every individual has a story to tell. We are inviting pastors and secretaries of churches and institutions within the Rocky Mountain Conference to share with us relevant information – about developments, issues, notable events, as well as experiences of church members.

Please email your story to [nuggets@rmcsda.org](mailto:nuggets@rmcsda.org) so we can share how God is working through His people in your territory. When submitting your story, please include the following: the Ws (who, what, where, when, why...also how), a personal quote, a photo and the name of the photographer.

**Please consider time constraints and always send in fresh new stories instead of outdated ones. Submission deadlines are Wednesdays by noon.**

The tour ended in Jerusalem where events at the end of Christ's life occurred. On Friday evening, all twenty-four entered the modest home of a modern Jewish family for *Shabbat of a Lifetime*, a particularly memorable experience. The living room was mostly empty except for tables large enough to seat about 30.

The couple explained the traditions they observe to welcome the Sabbath and provided a lavish five-course meal complete with vegetarian options. After leading their guests in traditional Jewish Sabbath songs, they displayed a Talmud, each page containing Scripture surrounded by commentary written by rabbis.

The excitement and passion for God, Judaism and the Sabbath displayed by this family was contagious. Not only do they open their home almost every week, but they have organized about 100 other families to do the same.

### **Arvada Church Responds to Needs Left Behind Hurricane Irma »**

An intrepid group of volunteers from Arvada church spent the last week traversing southwestern Florida to help those whose lives were disrupted by Hurricane Irma. With a trailer full of donations in food, hygiene products and cleaning supplies, the group drove 40 hours to reach their destination.

Chainsaws revved, sweat dripped, and people swapped tears for laughter. God was praised as Kim, Georgina, Jasmine, Efren, Zack, Ricardo and Milos put their lives aside to serve those affected by the hurricane. Ricardo quit his job in order to go after his boss wouldn't give him the time off.

The group is making plans to found a ministry that will be active in Arvada community when crisis hits - snowstorms are around the corner. "Helping the helpless, Jesus' specialty, will be our purpose!"

### **A Pale Horse Rides to Explore the Martin Luther**

## 500th Anniversary in Churches Across North

**America »** Trust in organized religion has declined significantly in recent years. In fact, the Pew Research Center recently released a report revealing that the Christian share of the population fell eight percent between 2007 and 2014.

People are eyeing the Christian church with suspicion and some even feel betrayed by the news they hear about religion throughout

the world. Are their fears justified? Did something go wrong at the dawn of Christianity?

Starting Oct. 27, churches across North America will explore these questions by studying the Bible's predictions for Christianity's future. In addition, stories from the 1,200 years that led up to Martin Luther's Reformation will illustrate this topic perfectly as the world celebrates the 500<sup>th</sup> anniversary of the year Luther nailed his 95 Theses to the door of the Castle Church.

*A Pale Horse Rides*, hosted by Voice of Prophecy Speaker/Director Shawn Boonstra, will take a documentary-style, Bible-based approach to this topic. Boonstra recently traveled to Europe to make history come to life and introduce an intriguing group of ancient barbarians who mysteriously became Christians during the collapse of the Roman Empire. "By studying the history of Christianity, we can learn what may be the best chance for its future," said Boonstra.

This series will address questions such as:

- What happened to the Christian churches outside of the Roman Empire?
- How, exactly, did our ancestors become Christians?
- How does the Bible deal with the fact that Christians are often less than Christ-like?
- What would the church look like without the merger of church and state?
- How can Christianity still insist that it's the religion of Jesus when we all know that Christians ran torture chambers and burned people at the stake?

Like last year's *Shadow Empire* series on the life of Constantine, *A Pale Horse Rides* will involve both documentary-style and live elements, featuring a local moderator. All are welcome to attend this free event, and at many locations, attendees will receive a copy of Boonstra's new book, *A Pale Horse Rides*.

"During *A Pale Horse Rides*, you will learn the stories that paved the way for Martin Luther's Reformation and how they

continue to echo through the lives of every person on earth today,” said Boonstra. “I hope you will join us for this intriguing study!”

The three featured topics will be: “Rome Is Burning,” “Barbarian Fire,” and “An Underground Movement,” and it all begins Oct. 27.

## CELEBRATE YOUR PASTOR

---

Just weeks away, the month of October will offer the opportunity to recognize pastors throughout Rocky Mountain Conference in a special way. October is Pastor Appreciation Month, a time to express special appreciation to the pastors God has allowed to impact lives within our church. A time to surprise your minister with a special moment showing how meaningful their leadership is to your congregation and community.

Time to plan something special and let your creativity shine in the spirit of 1 Thessalonians 5:12-13a - "Now we ask you, brothers and sisters, to acknowledge those who work hard among you, who care for you in the Lord and who admonish you. Hold them in the highest regard in love because of their work."

Tuesday, October 10, 2017

**TOPGOLF -- 10601 E Easter Avenue, Centennial CO 80112**

Ready for an evening of laughter and fellowship with your fellow Mile High parents and individuals in the community? Then RSVP now to attend the Mile High Academy Annual Benefit and be a part of one of the school's biggest fundraising events for the school.

The venue this year is at Topgolf. But, luckily for some of us, you don't have to claim to be a golfer to come have fun, indulge in amazing food, a silent auction and a must-see live auction, where attendees battle it out to see who can get a must-have item. We don't think we need to remind last year attendees about the battle for the signed Broncos football.

And your kiddos' classrooms get involved too. While the kids don't attend the event - babysitting is offered through the school - it's always fun to see what each class has sweated

over, designed and created for the auction. We have the most amazing, talented kids, and you'll want to come see their work on display.
