

EQUIPMENT ALLOWANCE FOR PASTORS HOLDING THEIR OWN EVANGELISTIC MEETINGS

To Be Submitted After the Conclusion of Your Meetings

There is a \$500.00 equipment allowance for pastors who speak for their own evangelistic meetings. In order to qualify as “evangelistic” there shall be a minimum of ten doctrinal message meetings. Please turn in receipts for the equipment. If you use your own equipment you may receive \$500.00 for depreciation of your equipment (this would be taxable without receipts). This allowance may be applied two times per year for a maximum of \$1,000 per pastor per year.
