Featured Speaker—Jeannie Ryan

My dad was a pastor in North Dakota where I grew up, spending a great deal of time on my grandparents farm. I attended Oak Park Academy and Union College where I met and married Mike Ryan. I graduated from the University of Missouri with a BS-Nursing in 1974 and a Masters as a Nurse Practitioner from University of Portland in 1991. We served as missionaries in the Far East for 16 years and 25 years in Maryland. We have 2 daughters, Gina, a radiologist in Tennessee and Heidi, an infection prevention nurse in Georgia. I believe we have the cutest, smartest and most wonderful granddaughter in the world—Ella. We are blessed to be semi retired—enjoying the beauty and outdoor activities available in southwestern Colorado.
