Featured Speaker—Marilynn Venden

Marilynn Venden is a worship leader, devotional writer whose lifelong love for music has shaped both her ministry and her faith journey. Through worship, speaking, and writing, she encourages others to discover the goodness of God and the beauty of a life centered in Christ. Her greatest passion is helping others discover the goodness of God and respond to His love with wholehearted worship. When she is not leading worship or writing, Marilynn is often found in her favorite room of the house—the kitchen—creating something to share around the table. She loves good food, meaningful conversation, and exploring back roads in their Jeep. Along the way, she has discovered that some of her most meaningful moments of worship have happened not on a platform, but in the ordinary rhythms of everyday life. Whether studying Scripture, preparing a meal, or watching the desert unfold beyond a dusty road, Marilynn delights in finding Jesus in the middle of it all.
